To Whom It May Concern:

RE: Character Reference for Jordan Gallant

I am the Senior Pastor of the church that Jordan and her husband, Stephen attend. Jordan has been worshipping at this church for almost six years when her dad came on staff as our Associate Pastor to Youth & Young Adults.

Jordan is a gifted leader and has been involved in many areas of ministry. She loves to sing and has led our youth worship team. She has worked in both children and youth ministries here at the church, at our association camp, and has been involved in our wider denominational work.

I had the privilege of conducting the pre-marital counselling for Jordan & Stephen and found them both to be solid Christians who have a mature outlook on life and are well-grounded in their faith. They are both clergy children and have seen the good, the bad and the ugly of Christian ministry and church life. I believe they have handled this well and have grown from these experiences.

Jordan is a bright young woman who is very goal-oriented and a hard worker, committed to the tasks before her. She has a healthy self-esteem and carries herself with confidence, and yet a sense of humbleness. I believe she is a valuable contributor to our society and to the kingdom of God. I would not hesitate to recommend Jordan as she is good with people and is determined to succeed at whatever she puts her hand to.

Sincerely,

Rev. Dr. Terry Atkinson

Senior Pastor
